

# CARNRITE CARES

Dear Applicant,

Thank you for taking the time to tell us more about your organization. We love helping the communities in which we work, so we are excited to learn more about the wonderful work you are doing.

Our process for these applications begins with review and research. Please be as concise as possible when answering our questions because the length of the completed application will determine the turnaround time.

If there is a specific initiative or campaign you want us to be aware of, please make that obvious, otherwise we will assume this is for unrestricted funds to the organization. Along those same lines, please let us know if there is a deadline that must be met.

Sincerely,

Alan Carnrite  
President & CEO, The Carnrite Group

To submit your application, please fill it out as completely as possible and email it to [carnritecares@carnritegroup.com](mailto:carnritecares@carnritegroup.com). If necessary, you may attach an additional 1-2 pages.

We do not have someone solely dedicated to Carnrite Cares, so the processing time varies, however we ask that you allow us 2 weeks before following up.
